
Alcor Sideboards

STORAGE UNITS

Antonio Citterio

Description

Two different heights and lengths and a total of four variants are available for these double door cupboards. Despite their height, the tight volumes and agile structure confer an overall sense of lightness. Far East, modernity and tradition blend with great expressiveness.

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
