Coriander Seed Body Cleanser

A refreshing body cleansing gel with a spicy scent for shower and bath use. This low-foaming cleanser contains essential oils of crushed Coriander Seeds and Black Peppercorns to warm and invigorate.

How is Coriander Seed Body Cleanser different from other Aesop shower gels?

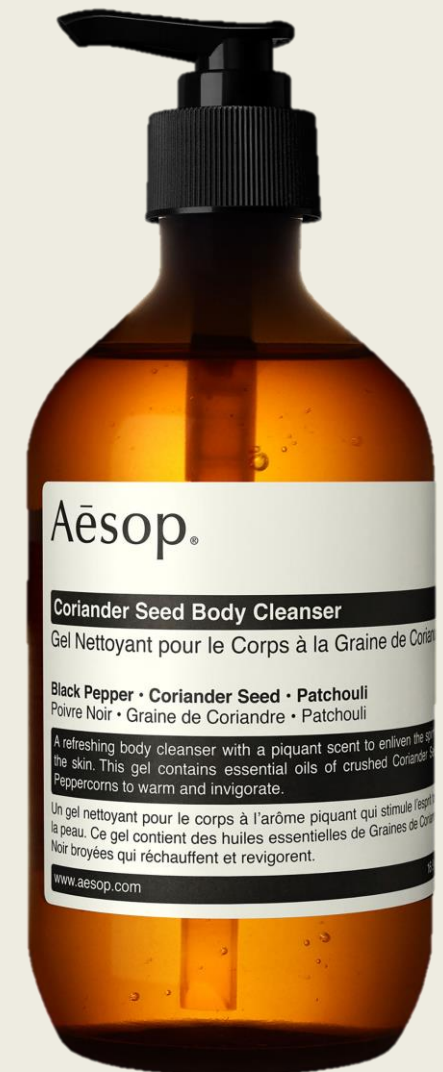

This preparation contains an intriguing blend of three steam-distilled botanical extracts – Coriander Seed, Black Pepper and Patchouli – and is a distinctive choice for men and women alike.

Coriander Seed and Patchouli essential oils soothe and detoxify the skin, while Black Pepper has again been selected for its skin warming, deodorising and stimulating properties.

Sea Salt – cleansing agent.

Coriander Seed Oil – Antimicrobial and skin-calming properties.

Black Pepper Fruit Oil – Antimicrobial and antiseptic properties.

Available in 100mL or 500mL bottle.
