Wegner J16 Rocking Chair

By Hans J. Wegner, 1944

Model	16000 -
About	Hans J. Wegner showed an early interest in the rocking chair as a design object and J16 was one of his first chairs ever put into production. The very first version was designed in 1944. After a process to make the chair easier to produce the production could start. Wegner's J16 has proved so viable that it has been in demand ever since it first came on the market.
