

NEU TABLE

DESIGN BY HAY

The Neu Table is the latest addition to HAY's Neu Collection. The simple design features a small round or square table top attached to a tubular central pole and angled 4-star pedestal base. Crafted in outdoor powder coated steel and cast aluminium to offer greater durability and resilience, it has a versatile quality that makes it well-suited to both indoor and outdoor use. Its uncluttered lines give it a sleek, understated expression, making it a popular choice for public spaces such as cafés, offices, as well as private areas such as gardens and balconies.

PRODUCT DETAILS

- / Part of a family of tables featuring round- and square steel tabletops and bases in different colours.
- / The table features an electro-galvanized steel tabletop that makes it suitable for outdoor use.
- / Available in 3 different heights.
- / Suitable for a wide variety of private and public environments.
- / Qualified for contract use.

HAY
