Product Fact Sheet - Furniture - Florence Dining Table Rectangular

## Florence Dining Table Rectangular *New Works Studio*

With strength in its simplicity, the Florence dining table grows once more into a new rectangular configuration. Two simple steel framed legs allow this larger version to extend into bigger dining areas as well as work settings. With a wooden table top, Florence's strong yet subtle presence allows the function of daily life to take centre stage.

### About the designers **New Works Studio**

Alongside a number of internationally renowned designers, New Works also contributes with their own pieces to the New Works collection. The Scandinavian heritage is combined with an internationally inspired passion for honest materials, in a quest to create artistic and highly functional objects.

## Cleaning & Care Guide

For daily care and cleaning it is recommended to use a cleaning agent specifically developed for stone or marble. It is also highly recommended to do a re-sealing of the table top approximately every second month using an appropriate sealer developed specifically for stone or marble. Please contact your local hardware store to find the right cleaning agent or/and sealer.

Wipe the Table Frame with a soft dry or moist cloth. Do not use any abrasive cleaning tools, and never use strong cleaning agents such as household glass cleaner, white spirit or turpentine.

## Safety Precautions

A damaged edge or scratched surface can in exceptional cases cause the glass to crack suddenly. However rarely into sharp fragments and only into small pieces. Avoid collisions from the side – this is where the glass is most vulnerable.
