UCHIWA

Uchiwa is a capacious armchair, taking its soft and open shape from the traditional Japanese hand fan. Generous and inviting, new and familiar at the same time, the armchair comes in two upholstered versions: in a softer quilted model for a more domestic environment and in moulded foam for a more demanding contract context.

The base is available in natural or stained oak.

Front Hallingdal 126, Back leather Sierra SI100, Black Base
