Designer

Marc Newson

1963

Born in Australia in 1963, Marc Newson worked around the world, first in Tokyo, then in Paris and finally in London where he, along with Benjamin de Haan, opened Marc Newson Ltd. in 1997. A variety of his projects are cultural symbols requested by the best museums all over the world, such as MoMA of New York and the Vitra Museum. He is well known as the designer who best entered the pop culture scene and his pieces have been used by Madonna in her music videos and in the Austin Powers films.

Projects

BRETANIDE HOTEL - BOL

ATLANTIC KEMPINSKY - HAMBURG
