

Floyd-Hi Table

design Piero Lissoni

Tables of different sizes (92x92 cm, 160x92 cm, 145x145 cm and 160x160 cm) composed of a 12 mm thick tempered glass top with rounded corners and bevelled edge.

Bracket in laser-cut steel sheet, lacquered with epoxy powder coating gunmetal grey colour with brass under-top plates and brass feet satinized and finished with a transparent matt varnish. The fixing of the top is guaranteed by circular thermoplastic material.

Floor support secured by black PVC feet.
