

Moroccan Neroli Post Shave Lotion

Combinaison, Normal
or Sensitive Skins

A lightweight hydrating formula to balance and calm all skin types.

How does this product work?

This quickly absorbing moisturiser assuages post-shave irritation and aggravation. Carefully selected botanical oils pacify, smooth and refresh skin. This product is also perfectly suited for use as a lightweight unisex moisturiser.

How do I use Moroccan Neroli Post Shave Lotion?

Apply to cleansed and toned skin after shaving, or as a regular-use daily moisturiser, massaging from the forehead to the neck.

Sandalwood Oil – Hydrates the skin.

Panthenol – Provitamin B5 which possesses humectant qualities..

Neroli Blossom – Cools and disinfects the skin.
