
Recipio

COMPLEMENTS

Antonio Citterio

Description

Recipio small tables were created mainly for being used as night tables, but they are versatile enough to fit anywhere in any room of the house. They are unique for its tripod frame, which accommodates lacquered tops in trays-shape.

Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
