

Mini Tombolo

design Piero Lissoni, ready made by Studio UN pizzo

Armchair available for indoor and outdoor.

Indoor version: tubular steel frame with chromed finish, or with epoxy powder coating gunmetal color or in AISI 316 Stainless Steel with matt satin- finish.

Seat panel in tubular steel with epoxy powder coating, padded in polyurethane foam (for chrome and lacquered versions) or in self- supporting decorative HPL plastic laminate (for AISI 316 stainless steel version).

Seat cushion in differentiated density polyurethane foam, covered with acrylic fibre layers. Backrest cushion in preformed polyurethane foam covered with acrylic fibre layers.

Fabric or leather upholstery, both fully removable by zippers, after unscrewing the seat panel from the frame (for chrome and lacquered version).

Outdoor version: tubular steel frame in AISI 316 stainless steel with matt satin- finish. Seat panel in self- supporting decorative HPL plastic laminate.

Seat and backrest cushions padded with open-cell structure polyurethane foam and covered with fibre for outdoor.

Upholstery with outdoor fabrics only, fully removable by zippers. Both version woven with a hypoallergenic, recyclable, eco-friendly tubular, suitable both.
