
Pacha Collection - Pacha Ottoman

Designed by Piere Paulin - 1975

ITEM NUMBER 24362

ITEM NUMBER 24365 Returning Swivel

DESCRIPTION When the Pacha Collection was designed in 1975, it replaced the austerity of post-war design with a more organic approach, reflecting the changing design style of the time. A joyful modernist, Paulin's low-slung pieces provided a new laid-back perspective on life and his forward-looking, eclectic and sculptural approach to furniture design instantly caught the mood of the swinging 60's. The Pacha lounge chair is fully upholstered, has a painted wood base and is available with a fixed base or returning swivel base.
