# Alcor Storage units

STORAGE UNITS

*Antonio Citterio*

## Description

Whether in the living area, the entrance or the office, these boxes will elegantly solve any storage needs. Available with double doors, flaps or in an open version. Their simple, current design is paired with precious red and black french polish, reminiscent of the East, which reveal great expertise and craftsmanship.

---

# Technical drawings

B&B Italia reserves the right to make technological and aesthetic improvements to its models, including changes to the sizes and materials, without notice. The technical drawings do not define the details of the product. The measurements shown are indicative and may undergo changes. In particular, the dimensions relevant to the padded parts are subject to usage tolerances over time caused by the normal adjustment of the padding. For the specific information, please contact the dealer closest to you.
