

nh S3 14

IP20    Dimmerable: 

TECHNICAL DRAWINGS

DESIGN BY

Neri&Hu

DESCRIPTION

nh continues the research on the dynamic interaction of experience, details, materials, form, and light that Neri&Hu are pursuing with Artemide. It offers a reinterpretation of the Oriental culture and tradition with a constant contemporary approach. nh is operated intuitively as a reference to the use of lanterns, and allows freedom in creating countless lightscapes. It is an essential, versatile element, suited to illuminate a variety of contexts in a simple and poetic manner. The basic element of nh, a white blown glass sphere with a brass ring, evolves with structures that support it and combine to bring light into space. The selected materials represent a perfect combination of tradition and innovation, as well as the expression of responsible and sustainable design.

FEATURES

Article Code:	1276010A	Material:	Blown glass, brushed brass
Colour:	Black/brass	Series:	Design, 2018
Installation:	Suspension		Artemide Collection
Environment:	Indoor		

DIMENSIONS

Length:	cm 135	Glow Wire Test:	850
Height:	cm 67.2		
Base Diameter:	cm 13.7		
Max Height from ceiling:	cm 217		

SOURCES NOT INCLUDED

Category:	LED	Color temperature (K):	3000K
Number:	3		
Watt:	5W		
Type:	2		
Socket:	E14		
Class:	A		

LUMINAIRE

Watt:	3x5W	Delivered lumens output (lm):	772lm
Voltage:	220-240V	CCT:	3000K
		Efficiency:	80%
		Efficacy:	64.31lm/W
		CRI:	80

Notes

The glass balls and brass rings can slide along the rods, which can be fixed according to an orientation chosen by the customer. The light intensity can only be adjusted with dimmable bulbs. Maximum bulb length 80mm. Maximum bulb diameter: 50mm.
